From Friday, 20.08.2021, a new corona protection regulation will apply in NRW. This is valid for the time being until 17.08.2021.

As before, a accommodation for all guest!

What is new, however, is that from Friday (20.08.2021) every guest must provide proof of complete vaccination protection or proof of recovery (not older than 6 months). If neither of these apply, we will need proof of a negative corona quick test from Friday, which must be repeated every 4 days.

There is a corona- test center in the Thiergalerie (200m). To make an appointment, please use this QR code:

(OR call the test center at: 0049 163 8415259)

Please send us the test results to the info@pm-am.de. Every 4 days.

Thank you for helping to contain the coronavirus.
